ENERGY TAX CREDIT UP TO \$1,500

NOW AVAILABLE

The recently passed Economic Stimulus package includes Federal tax credits that encourage homeowners to make energy efficient improvements to their homes. Replacing windows and doors with energy efficient Infinity products qualifies for this tax credit!

To qualify, a high level of energy efficiency is required. Infinity from Marvin products meet those qualifications with high performance LoE³-366[®] glass. LoE³-366[®] is available on all Infinity windows and doors, so homeowners can increase the energy efficiency of their home and qualify for the \$1,500 tax credit.
